6. Our curriculum is conducted in English and Spanish, and patient interactions are nearly always conducted in Spanish, therefore, demonstrated fluency in speaking, reading, and writing both languages is required. Applicants must select language courses that develop writing and reading comprehension skills.
7. Personal characteristics expected of applicants and evaluated through letters of recommendation and interviews are as follows:
  - a. Maturity
  - b. Motivation
  - c. Reliability
  - d. Creativity
  - e. Perseverance
  - f. Sensitivity towards others
  - g. Resiliency
8. A working knowledge of computers and their applications (computer literacy) is required, given the integration of computer technology into the medical curriculum.

- a. The Medical College Admission Test (MCAT) must be taken no later than **September 30, 2025**. An MCAT taken after that date will not be considered in the selection process for the entering class. The test will be valid for three (3) years. MCAT scores below 495 will not be considered for evaluation. The website is: <https://students-residents.aamc.org/applying-medical-school/taking-mcat-exam/>
9. Prior to application, students must make sure they meet all **Technical Standards**, which will be required for admission, promotion, and graduation. **Technical Standards** can be accessed at: <https://md.rcm.upr.edu/technical-standards-for-medical-school-admission-retention-promotion-and-graduation/>

### **APPLICATION PROCESS**

#### **1. American Medical College Application Services (AMCAS):**

Applications to our School of Medicine are processed through the American Medical College Application Services (AMCAS), a centralized application service for applicants to first-year classes at participating US Medical Schools. The website is: <https://students-residents.aamc.org/applying-medical-school/applying-medical-school-process/applying-medical-school-amcas/>.

The complete application must be processed by AMCAS between **June 1<sup>st</sup> and before December 1<sup>st</sup>, 2025**. We urge candidates to submit the AMCAS Web Application with enough time in order to be considered before **December 1<sup>st</sup>**, the absolute deadline. **DEADLINE EXTENSIONS WILL NOT BE GRANTED.**

#### **2. University of Puerto Rico – Medical Sciences Campus Application:**

In addition to the AMCAS application, all applicants who are permanent residents of Puerto Rico must complete and submit between the **September 1<sup>st</sup> and December 1<sup>st</sup>** deadline of the University of Puerto Rico - Medical Sciences Campus Application Form, together with the payment of the \$30.00 non-refundable application fee established at our institution. Payment should be made **online or by check or money order payable to the University of Puerto Rico**. If payment is made directly at the Collection Office; VISA, MasterCard, American Express, or ATH may also be used.

**APPLICATION MAY BE REQUESTED AT THE FOLLOWING ADDRESS:**

<https://solicitud.upr.edu/>

**APPLICATIONS SUBMITTED AFTER THE DECEMBER 1<sup>ST</sup> DEADLINE WILL NOT BE CONSIDERED.**

#### **3. Other Required Documents:**

- a. One (1) official transcript from each college attended is to be sent directly to the Central Office of Admissions no later than **December 1<sup>st</sup>, 2025**, the absolute deadline.

- b. Three (3) recommendation letters from your current professors using the school's official format designated for this purpose. The course must be listed on your official transcript. WE DO NOT CONSIDER LETTERS SUBMITTED THROUGH AMCAS. Access the following internet address for the official format:

<https://webapps.md.rcm.upr.edu/mdadmissionletter/recommendation-letter.html>

- c. It is required that candidates have their portfolio by no later than **December 1<sup>st</sup>** of the year in wish you are seeking admission. This portfolio must include a **Personal Statement** and documents that evidence your participation in extracurricular activities (research, community service, leadership, shadowing, and scholarly activities). A candidate without a portfolio will not be interviewed. The document must be sent in PDF format and must be uploaded to the following link: <https://webapps.md.rcm.upr.edu/mdadmissionletter/portfolio.html>
- d. Once you receive an interview invitation, you must confirm by replying to the email with your interest within 48 hours of receipt, or the interview slot will be given to another candidate.
- e. In extraordinary cases, an additional official transcript including the current academic year's first semester grades can be requested by the admission officer to be evaluated and must be received before February 15 of the year in wish you are seeking admission.

**FAILURE TO COMPLY WITH ALL THE ABOVE-MENTIONED REQUIREMENTS AND DOCUMENTS BY THE ESTABLISHED DEADLINES, WILL LEAD TO AN ADMINISTRATIVE REJECTION.**

**PLEASE MAIL THE REQUIRED DOCUMENTS TO THE FOLLOWING ADDRESS:**

**SELECTION CRITERIA**

Since the University of Puerto Rico – School of Medicine is a state-supported institution, preference will be given to qualified applicants who are legal residents of Puerto Rico. Students that can establish legal residency will qualify for state tuition fees.

Highly qualified Puerto Rico non-residents must demonstrate strong ties to Puerto Rico. To determine strong residential ties to Puerto Rico, the Committee on Admission will review the applicant's birthplace, high school attended, college attended, and parent's legal residence. An applicant who meets two (2) of the four (4) categories demonstrates strong ties to Puerto Rico. Non-residents who demonstrate strong ties will be considered for out-of-state tuition fees.

Foreign national applicants with an established legal residence in Puerto Rico will only be considered if, at the time of application, they are either US citizens or have been granted a permanent resident VISA in the United States.

The Admissions Committee of the School of Medicine will consider the following selection factors in screening qualified applicants, according to a formula established and approved by the Academic Senate of the Medical Sciences Campus:

1. Academic Performance determined by:
  - a. General and Science Grade Point Average
  - b. Bonus points: in Science, Mathematics (Calculus), and Behavioral and Social Sciences courses, in addition to the required ones, approved with a grade of B or above.
  - c. Consistency in general grade point average
  - d. The number of withdrawals as evidenced in the official transcript.
2. Medical College Admission Test (MCAT):
  - a. All test areas of assessment are taken into consideration.
3. Non-academic factors, expressed in numerical indices, derived from two (2) sources:
  - a. Three (3) recommendation letters from current professors are required.
  - b. For extraordinary situations, refer to instructions for recommendation letters.
  - c. After an initial screening of all other selection factors, the Admissions Committee will determine which candidates will be invited for a personal interview.

### **ACCEPTANCE**

To guarantee enrollment upon acceptance, the candidate must make a **\$100.00 non-refundable deposit** within 10 days of receipt of the notice, together with a written acknowledgment. The student must comply with the requirements specified in the letter of admission and abide by the recommendations of the Association of American Medical Colleges (AAMC) as stated in the current edition of the “Medical School Admission Requirements” book.
