

## PHARMACOLOGY DOCTORAL STUDENT ACCEPTED IN SUMMER INTERSHIP PROGRAM AT THE NATIONAL CANCER INSTITUTE

Jaylene M. Alvarez, Doctoral Student  
Department of Pharmacology

The Department of Pharmacology congratulates **Ms. Jaylene M. Alvarez**, who was selected to participate in the *Cancer Research Interns (CRI)-2019 Summer Internship Program at the National Cancer Institute (NCI)*. Ms. Alvarez is a doctoral student interested in the field of cancer.

The CRI Program is supported by the NCI's Center for Cancer Training, Office of Training and Education. This internship is an initial training opportunity for students with cancer-related research interests.
