MultiSystems

ZEBRA ZD620 Barcode Printer

Adiestramiento:

Incluye servicios de adiestramiento e instalación. Estos servicios se ejecutarán al momento de recibir los equipos solicitados. Una vez sometida la orden, el equipo se tarda entre 10 a 15 días laborables en llegar a PR. La coordinación del adiestramiento se hace mediante correo electrónico estipulando 2 opciones de disponibilidad donde se estipulan días y horas de preferencia. Las 4 horas de servicio estipuladas se basan en la suposición de que ambas impresoras serán instaladas en una sola localidad. Localidad adicional requerirá 4 horas adicionales.

Garantía extendida:

Permite eliminar los cargos por servicio en caso de que alguna reparación sea necesaria. El servicio se ofrecerá en las facilidades de MultiSystems(MS). La garantía se renueva anualmente.

Consumibles (Accesorios):

Las impresoras solicitadas poseen la tecnología conocida como *Thermal Transfer*. Toda impresora de tecnología *Thermal Transfer* requiere consumibles de impresión. Dado el hecho, de que su proyecto tiene estipulaciones altamente técnicas, personal especializado de MS se comunicará para determinar el mejor curso de acción y los consumibles que interesan

Terms and Conditions

Orders

- When placing an order, please reference the quotation number shown above. Verbal instructions will not be accepted.
- Details such as quantities, cost, product description and shipping instructions must appear on the order.
- The required dates should be specified at time of order. If not possible, the client must inform the release dates as soon as possible. Our policy is to ship the merchandise upon receipt of an order.
- Any change to a purchase order must be emailed or faxed to your account manager and/or a MS Customer Service representative. Verbal changes, modifications or cancellations may not be processed.
- Orders received after 11:00 am will be processed the next working day.
- Orders of standard products dispatched correctly could be subject to a restocking fee. Custom made products are not returnable and non-refundable.

Ordered Quantities

The quantity ordered represents a firm commitment. If the customer should cancel/or reduce the balance of an order, the customer is responsible for any products already manufactured at that time.

Lead Times

Ship days shown in this quotation are stated in number of working days after receipt of your purchase order and order deposit if required.

Any order that requires special scheduling outside our normal delivery schedules, at the time of order may be subject to upcharges and manufacture acceptance.

Pricing is valid only for a period of 30 days from the quoted date.

Returns

Products should be inspected upon receipt of the order. Any alleged error, shortage, defect or nonconformity, must be reported within thirty (30) calendar days, after receipt of shipment. Any failure by customer to inspect and/or notify any errors shall constitute a waiver of any claim or right of customer against the manufacturer arising with respect to any nonconformity which was reasonably discoverable during inspection. Warranty is limited to replacement or repair of defective merchandise, and approval by factory is required prior to returning merchandise. In such instances, a return authorization number (RMA) will be provided including detail information as to how to proceed with the return.

Payment Terms

Payment terms will be provided upon evaluation of credit information. Custom made products or projects require a project deposit depending on the build to order scope.

Credit will be available, for those who qualify, after paying in advance the first order. If your account has been placed on credit hold, all past due invoices must be paid before processing the new order.

Taxes & Freight Charges

Prices quoted herein do not include taxes or transportation charges unless otherwise indicated in the quote included herein. If exempt, customer Tax Exempt Number must be faxed with the purchase order. If this information is missing, we will not be held liable for any applicable taxes. If purchase is exempt, please provide the Purchase tax exempt certificate document with purchase order.
