MESSAGE FROM
THE PRESIDENT

Welcome and greetings to all alumni, residents, students, participants and family to our 56th meeting.

A great program will be offered organized by Dr. Humberto Guiot, Class 2001, our Scientific Committee President and past President. Besides having interesting and varied topics we have an excellent group of speakers, all members of our school alumni.

We are proud to honor Dr. Pablo Rodríguez-Ortiz, class of 83, one of our most dedicated and professional members. Dr. Rodríguez is a pioneer in the area of Traumatology and Critical Care in Puerto Rico, an outstanding representative of our School.

Classes of 55, 60, 65, 70, 75 80, 85, 90, 95, 2000 and 2005 will be honored and will be celebrating their anniversaries with us this year. Congratulations! Last but not least I want to give a great welcome to our new president, Dr. Luis Ortiz-Espinosa, who will begin as president in the Annual Assembly during the convention.
