Message from the President

Welcome
and greetings to all alumni,
residents, students, participants and family
to our 57th annual meeting.

It has been a year of challenges, achievements and activities of which we can mention a few of the most outstanding such as, recruitment of new members, reactivation of the Informative Newsletter, welcoming the first year medical students, participation in the Jaime Benitez Gala, Match Day get-together, and the Resident Symposium “All you need to know before establishing a medical practice”. We now finalize the year with the Annual Convention “A Potpourri of New Knowledge: From Women’s Health to Kids and Grandpas and Some Things in Between” where the topics will be presented in a practical manner emphasizing on women’s health. A great program will be offered organized by Dr. Rosa Ileana Cruz. Class ‘80, our Scientific Committee President.

We are proud to honor two distinguished physicians that represent the best of our school standards and qualities, Dr. Carmen Zorrilla, Class of ‘78 and Dr. Josefina Romaguera, Class of ‘80, who have contributed greatly to research and education on women’s health.

As in previous years, Classes of 56, 61, 66, 71, 76, 81, 86, 91, 96, 2001 and 2006 will be honored and will be celebrating their anniversaries with us this year. Congratulations!

I also want to extend a great welcome to our new President, Dr. William Rodríguez, Class of ‘83, who will begin his journey as President in the Annual Assembly during the convention.

Congratulations and hope you enjoy the Convention!

Luis J. Ortiz Espinosa, MD

Class of 1986

President, Sociedad Médicos Graduados
Escuela Medicina UPR

Class of 2016 - Match Day

2016 Graduate - Paula Latortue

Student's received scholarships at the 56th. convention
