AAO | AUPO Student Ophthalmology  
Engagement Day in Chicago

We have  
**YOU** in our  
Sights!

## Come learn about your career path in Ophthalmology

Join the American Academy of Ophthalmology (AAO) and the Association of University Professors of Ophthalmology (AUPO) National Minority Student Mentoring Program in Chicago for **Student Ophthalmology Engagement Day** providing you with an opportunity to:

- Meet enthusiastic ophthalmology mentors who can support your career development as you explore different areas of medicine
- Learn how ophthalmologists positively contribute to our health care community by preventing vision loss from diseases, such as diabetes and glaucoma
- See how ophthalmologists help protect a patient's valuable eyesight and why they enjoy the fulfillment of their careers
- Use a simulator to explore how to do cataract surgery and try out a laser to perform microscopic surgery
- Have fun while learning the medical and hands-on surgical aspects of ophthalmology
