Shadowing

May 23 to June 13, 2014

Shadowing Program – Introduction

The Department of Surgery of the University of Puerto Rico Shadowing Program offers an opportunity for students interested in exploring careers in Surgery. The Shadowing Program is intended to provide undergraduate and high school students with career exploration under the mentorship of an attending physician

*This educational experience is for observation only; no hands-on contact is permitted with any patient

ABOUT THE PROGRAM

The objectives of the shadowing program will be:

- Gain exposure to hospital-based medical care
- Learn about the structure of a medical team
- Identify the level of knowledge and skills expected of a medical student
- Observe the daily activities of an attending physician and residents in Surgery
- Become familiar with the range of careers one can pursue within Surgery
- Identify potential mentors and career advisors
- Explore a realistic experience in the work day of their career choice
- Become familiarized with UPR Medical School philosophy
- Orientation on Research with Dr. Marcia Cruz
- The objectives of the program will be offered at Surgical Research Laboratory, UPR Hospital and Affiliated Hospitals like UDH, Oncologic, Pediatric, ASEM
- CPR, Knot Tying and Suture Workshop

All participating students will be assigned to observe an attending physician as they do their job. Participating students will wear white coats and identification badges at all times. Students will receive a participation certificate at the end of the shadowing experience.

Eligibility and Program Duration

Participation in the Department of Surgery Shadowing Program is open to outstanding students (have a minimum overall GPA of 3.5) who have an interest in a career in medicine. Students must be at least 16 y/o. An official college or university transcript must be submitted. A signed permit by parent/guardian is required if younger than 21 y/o. Students may shadow for three (3) weeks. The duration of the experience will be determined on physician and student availability.

Student Orientation

At the orientation meeting, the student will be given:

- A general orientation to acquaint with emergency and safety procedures as well as HIPAA and confidentiality guidelines
- The name and contact number of the attending physician or surgery resident assigned to set up the shadowing experience
- A badge that must be worn during the shadowing experience
- Confidentiality statement to sign
- Participant form
- Parental consent form if under 21 y/o
- Monday through Friday, 8am to 5pm

- Emergency authorization form
- Student's evaluation form of program experience (required to obtain participation certificate) and faculty student evaluation.
- Dress Code Policy

Dress Code

- No jeans or sweatpants
- Be neat, clean and tidy looking. Do not wear clothes that reveal bare skin, are baggy or drag the floor
- White coats will be worn all times
- Green scrubs accepted

Shadowing Student Responsibilities

- If participating student is sick and has a fever, cough, cold, virus or known infection, the shadowing experience must be cancelled and rescheduled with the Coordinator.
- All participating students are expected to be on time. They must allow adequate time for traveling & familiarize themselves with the location & best route to the hospital facility.
- If the student does not attend the experience & does not notify his/her assigned attending physician or coordinator, he/she will be unable to have another shadow experience and No certificate will be provided.
